

## EDUCATION FUND

Welcome to our Education Fund, created specifically to assist our team's children with education school fees. These fees are way beyond the reach of rural wages, so we want to honour their faithfulness and dedication as they choose to serve in and around Malingunde.

We are currently paying the fees for Ernest and Trevor who are at secondary school. This year they will be joined by Doreen and Christian hoping to go into Further Education. Please read about our families below and consider if you would like to make a regular gift into the fund.
