

## EDUCATION FUND UPDATE

Summer 2022

Welcome to our Education Fund which has been running for 18 months. We are so pleased to have been able to pay fees for secondary school, college and university for 7 of our team's children. These fees are way beyond the reach of rural wages and it is a huge blessing to honour these families with this

support as they serve in and around Malingunde. Trevor and Joy will start further education in 2023 so we need to raise an additional £2500 a year. Please read about our families below and consider if you would like to make a regular or one off gift into the fund..

### Chippo, Christian & Janet

Chippo has faithfully led the team since 2008 and he is married to Janet. Christian started studying to become an electrician in April 2021 in Lilongwe. His College fees are £100 a month.

Their daughter Joy will be taking her secondary school exams in August 2022 and hopes to study nursing in September 2023.

Our aim is to raise enough money for each child to be supported through the fund. To avoid cultural complications donations will remain anonymous to the families coming from the fund rather than from individuals.
